

## FOR IMMEDIATE RELEASE

Clearwater, Florida, June 30, 2010

### **C-Mast and Carey Moving & Storage finalize agreement for Containerized Moving and Storage operation in North and South Carolina.**

**The agreement will allow Carey Moving & Storage, Inc. to offer their large customer base a state of the art Containerized Moving and Storage option, complementing their current full service moving and storage operations.**

Spartanburg, SC and Clearwater, FL – C-Mast (Containerized Moving and Storage) and Carey Moving and Storage, Inc. have finalized a marketing agreement for the exclusive operation of the C-Mast System in the Charlotte-Ashville, NC and the Spartanburg, Greenville and Columbia, SC marketing areas. The agreement also provides for options for future exclusive operations in Knoxville, TN and Charleston, SC.

In addition to full service moving and storage operation, Carey will now be able to offer their customers the most advanced and practical containerized moving and storage option, a low cost alternative to traditional moving and storage business. Carey will also offer Nationwide Containerized Moving Service through an expanded network of C-Mast partners.

Brian Carey, Vice President of Carey, said, “While we have had tremendous success offering full service moving and storage to our customers over the past 103 years, we feel it is necessary to be able to offer our customers with the latest and most cost effective option to full service moves. A partnership with C-Mast will offer us cutting edge technology to serve our customer base with the best products in the industry”
